STANFORD, KY., TUESDAY, AUGUST 25, 1908.

NO. 50.

MIDDLEBURG.

A fine rain fell Friday. The telephone business is booming here. We note an exchange.

Corn is selling at \$4 in the shuck, while meal is scarce at \$1 a bushel. Recent freshets have started the old water mill here, much to the joy of all lovers of hoe cake.

The local physicians report the health of the vicinity as good considering the extreme warm weather.

School opened at Middleburg Normal College Monday of last week with an enrollment of about 110.

Henry McAninch had a valuable mare to get seriously injured in a barbed wire fence. The mare suffered a similar accident a few weeks ago, from which she was just recovering.

The Casey County Fair Association will begin their annual three days' exhibition at Liberty Wednesday. The program is a good one and needless to say the attendance will be good, the weather permitting.

The various turnpikes and county roads entering Middleburg and immediate vicinity are being worked and treated to needed coats of gravel and stone. The roads of Casey are in better condition now than for several years.

George Ellison, living on Fishing Creek, near Waynesburg, is very low with rheumatism and typhoid fever and is not expected to recover. His young daughter, Violet, is also confined to her bed with the dreaded typhoid. His wife, two sons and a daughter have just recovered from a siege of the same malady.

Rev. W. G. Tilford preached at the Baptist church Sunday morning and night. He closed a successful meeting at South Fork Thursday. Prayer meeting is held regularly each week at the M. E. and Baptist churches on Wednesday and Thursday nights. Many from this section attended the camp meeting at Jumbo, Middleburg and Yosemite were represented at the Sunday school convention at Liberty Thursday.

Rev. W. R. Hunt, pastor of the M. E. church here, received a message saying that his brother, living at Yale, Menefee county, had been stricken with paralysis and was not expected to live. He took the train at Stanford Wednesday morning for the bedside of the stricken brother. On Wednesday his wife received a message from Berea telling of the fatal illness of a niece. She boarded the next train at Stanford for Berea.

A petition is being circulated among the residents of the Indian Creek section asking the postoffice department to establish an office to be called Wilks, and if established it will be supplied from Middleburg. Mitchell Perkins, a former soldier in the U. S. army, is recommended for postmaster. The creation of a new postoffice for that section of the county will be to the benefit of the neighborhood and will be about four miles northeast of Middleburg.

The outlook for a good corn crop in Casey is very promising and with one or two more good rains the late plantings will make the usual yield. While the more forward upland crops suffered from drouth, the yield in the bottoms will be a bumper one. The writer has traveled through the upper tier of counties bordering on the Ohio, from Louisville to Cincinnati, and through probably a score of counties of the South-central and North-central portion of the State in the last 15 days, and finds the outlook for good crops to be better in Casey than elsewhere.

The citizens of Middleburg and vicinity will vote on a proposition for the establishment of a graded school to be located here. The election will take place sometime in September. While there are a good number of citizens who will vote "nay," yet it is believed that the proposition will carry. The good people of Middleburg and Yosemite are also making a hard fight for a high school and the chances for success are good. Liberty is also a contestant. There has been a great educational awakening among our people of late, and it is to be hoped that success will crown their efforts.

The political situation in Casey as viewed from a democratic standpoint, is, to say the least, encouraging. The party for the first time in 16 years is united and enthusiastic and ready for the fight. We have talked with several leading democrats of the county and are glad to say we have failed to find a single dissenting voice, but all are pulling together for the National ticket and for Patterson, of Bell county, for Congress. It is thought that the candidacy of the latter will strengthen the National ticket in the 11th district. Patterson says he will speak in every precinct in the district. Bryan and Kern clubs will be formed in each precinct of the county and regular meetings will be held. Oratory will not be lacking. Bryan's paper, the Commoner, the C. J. and the I. J. are the party organs and are widely read by Casey democrats.

The old home place, consisting of residence and about one acre of land belonging to our late grand-father, Elisha Gifford, will be sold by the commissioner at Liberty. F. L. Jones had previously purchased the little farm of some 40 acres.

This is our first news letter from Middleburg in several years and it may be our last. The writer, who has been residing in Louisville for four years, has been enjoying his annual vacation by visiting relatives and friends in Cincinnati, Middleburg and other points. This is our first visit to Middleburg in over a year. Despite the stringent financial flurry we find this section of the county fairly prosperous. The bank here is enjoying a healthy and growing business, while the merchants report their business as good. We note many substantial improvements in Middleburg. R. B. Young, the genial cashier of the Farmers Deposit Bank, has just completed a very pretty residence on Main street. He expects to be "house keeping" (?) in a very short time. Many of the citizens have painted and re-covered their houses, painted fences and erected new outbuildings. The streets are being improved and altogether Middleburg is holding her own through the panic.

Daniel Eason attended the Baptist Association at Mt. Hebron in Garrard. E. M. Keeney is with relatives at Somerset. Mrs. W. C. Williams, of Louisville, visited the family of Alex. Hicks. Mrs. Anna Leighner, of Ludlow, visited her parents, Mr. and Mrs. J. S. Adams. Mrs. Clarence Coleman, of Louisville, who has been with relatives here, left Saturday for home, going via Ludlow and Cincinnati, where she will spend a few days with relatives. Peter Wallis, of Sherman, Texas, is with old friends here after an absence of 27 years. Mrs. Mary Jones and daughter, Miss Selma, will leave for Missouri in a few days for a protracted stay among relatives. Oakley Brown has returned to Louisville. Paul Leighner has returned to Ludlow. The writer returns to Louisville to-day after an absence of 18 days, spent on vacation. Vacation doesn't come often and I have enjoyed very much the one just ended; in fact I always look forward with pleasure to a visit in Middleburg and Casey.

MATRIMONIAL.

Jim Big Thunder and Mollie Cloud, two Indian citizens of Oklahoma, were recently married. Look out for squalls. —Shelby Record.

A pathetic sight was seen in the county clerk's office in Newport when a young man carried in his arms a legless young woman to the license counter and applied for a marriage license.

W. M. Anderson, the popular young postmaster of Nicholasville, and Miss Bertha Bittenger, of Mt. Sterling, were married at Jeffersonville, August 9. The wedding was kept secret until Saturday on account of the illness of the bride's mother at the Norton Infirmary, at Louisville.

John L. Beck, of the McKinney section, and Miss Nancy Elizabeth Laughlin, of Lexington, were made husband and wife last week. We have not the pleasure of the bride's acquaintance but we know the groom and know further that he is one of Lincoln county's best and cleverest men. Success to him and his.

An Elliott, Md., special says: "A license was issued to-day for the marriage of Rev. George S. Fitzhugh, aged 67, to Lulu V. Frazier, a 10-year-old girl. The proposed marriage has not yet taken place. Mr. Fitzhugh suffered a severe attack of heart disease after obtaining the license and is critically ill. Mr. Fitzhugh is understood to be an Episcopal clergyman of Virginia, of which State the little girl is also a native. When the license was secured a necessary letter of consent from the girl's mother was exhibited to the clerk. The explanation of the peculiar case is said to be that Rev. Fitzhugh desires to make little Miss Frazier his heir and that his object can not be attained to his satisfaction by the adoption of the child."

Served as coffee, the new coffee substitute known to grocers everywhere as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grains, malt, nuts, etc. have been so cleverly blended as to give a wonderfully satisfying coffee taste and flavor. And it is "made in a minute," too. No tedious 20 to 30 minutes boiling. Penny's Drug Store.

"And is Willie Vanfeller really studying medicine?"

"Yes, and he's getting on famously. He told me yesterday I was looking well, and, by Jove, I was."

There are 200 newspapers in China, while 10 years ago there was but one recognized as such.

The Southern Indiana railroad, generally believed to be the best of the roads controlled by John R. Walsh, has been placed in the hands of a receiver of the Federal court. The road has been unable to meet the interest on its notes and suit was filed by creditors.

The grand jury of Lyon county has failed to indict any of the men held under peace bonds that were implicated in raids by Sanford Hall and Tom Stevens. Hall and Stevens cannot be secured to testify before the grand jury and it is probable that the men will be released. There seems to be some contention between Commonwealth's Attorney Smith and County Attorney Krone as to the missing witnesses.

August time, tells on the nerves. But that spirit less, no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach, heart, and kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by Penny's Drug Store.

Taft is a drinking man, takes a stimulant often and is in favor of the army canteen. Bryan never drinks stimulants and is opposed to the army canteen. Yet how many republican preachers will vote for Bryan, the temperance man, against Taft, the whiskey man? Oh, you hypocrites, you ought to be in the penitentiary for swindling people out of their money; or in a feeble minded institute to build up your intellect.—Burnside Item.

PRELIMINARY to a 30 days' speaking tour in which he proposes to force the fighting in the middle Western States, William J. Bryan conferred Saturday with National Chairman Mack and other members of the National Committee on the general plan of action for the presidential struggle that has been outlined by the heads of the various bureaus of the National Committee. It was announced that Mr. Bryan would make several speeches in New York State and several in Ohio. He left Chicago yesterday for Indianapolis to attend the Kern notification meeting to-day.

SENATOR FORAKER tells a New York interviewer that he doesn't know anything about political prospects or conditions, except what he reads in the newspapers; and that he doesn't feel that he is charged with any responsibility for results. He also says if he makes any speeches this campaign it will be along lines of his own dictation, and not of the campaign committee, which is therefore afraid to ask him to mount the raging stump.

INDEPENDENTLY and firmly, voluntarily and conscientiously, and with a keen appreciation of its own responsibility to the public, the World, confronted on one side by Rooseveltism and Roosevelt's proxy, and on the other by democracy and Mr. Bryan, has no hesitation in saying that within the limits of true democracy, the democratic ticket is entitled to the full democratic vote. Thus reads an editorial in the great New York World.

CONGRESSMAN LANNING, who has been renominated in his Ohio district, may not be able to serve his time, if elected. A mild-mannered correspondent says he "had the misfortune to be indicted for embezzlement," and will have to stand trial. He was concerned in a bank failure in consequence of which he was indicted for embezzlement and larceny.

MR. TAFT says that one of his first acts after he is elected president will be to call an extraordinary session of congress to revise the tariff. If that is the only show we have for a revision of the tariff there will be no change. But why bother about it? Mr. Bryan will have the tariff revised all right.

THE 30-cent Bryan Club was organized in Louisville and the promoters say that they intend to raise a large sum of money to be turned over to the Democratic National Campaign Committee. They propose to have the largest political club ever organized in Kentucky.

NOMINEE TAFT is to make a few speeches in Kentucky. Seems to us he had better put in his time in the doubtful States. Kentucky is going democratic 25,000 this year and nothing can prevent it. Mark what we say.

W. A. BEATTY, of Lexington, has bought a half-interest in the Sun-Sentinel, published at Winchester by Postmaster R. R. Perry, and will turn it into a daily Sept. 1.

JUDGE R. G. WILLIAMS, who made Rockcastle one of the best judges that county ever had, is a candidate for Commonwealth Attorney of the Kenton judicial district. We hope the splendid gentleman will win.

"THE situation for Taft in Kentucky is hopeful but doubtful," says the Louisville Post. Yes, devilish doubtful. This is democratic year sure and certain and Taft will do well to run second.

OLIE JAMES is in jail in Louisville. Not the big-bodied, big-brained congressman from the First district but a Negro woman by that name.

CLOVERPORT went dry Saturday by a majority of 80. The Courier-Journal will not discuss the fact editorially, we predict.

POLITICAL.

Hardin county democrats will nominate county officers by primary Nov. 14. Friends of Hon. Claude M. Thomas, of Paris, are urging him to run for State Senator.

Mr. Bryan's speech at the Kern notification may be his only one in Indiana during this campaign.

Hereafter, all pensioners will be allowed the free use of the mails to return their pension vouchers.

Joseph L. Rhinock was renominated for Congress over five opponents by the Democrats of the Sixth district. A light vote was polled in the primary.

Speaker Joseph G. Cannon will make a speaking tour of the country beginning in September. He will talk, if possible, in all the doubtful Congressional districts.

John B. Thompson, D. L. Moore, W. C. Bell, C. A. Hardin, J. W. Davenport and Rodney Keenon, all of Harrodsburg, sent Chairman Mack \$1,000 to be used in the democratic campaign.

The Republican committee of the Twenty-seventh judicial district met at London Saturday and called a primary for December 5, to nominate candidates for Circuit Judge and Commonwealth's Attorney.

The New York World, which has been opposed to Mr. Bryan for years and which has been rather emphatic at times in its expression of differences of opinion with the Democratic candidate, will support him in this campaign.

The legislative committee which has been investigating the conduct of the prisons of Georgia has finished the hearings and will prepare a report for the special session of the Legislature called for August 25. An expert who examined the books of the prisons reported that the accounts were carelessly kept and much laxness was noticeable.

William J. Bryan delivered an address on the tariff question to a vast crowd in the base ball park at Des Moines, Ia., Friday night, afterward speaking to an overflow meeting in the auditorium. Mr. Bryan received an ovation at both places. After the speaking he left for Chicago, where he will remain several days for a conference with the campaign managers.

Secretary of War Wright announces that his recommendation for the punishment of the eight West Point cadets, suspended from the Military Academy for hazing, had been approved by President Roosevelt. The order will dismiss from the academy two first-class men and place under suspension without pay and allowances for one year, the six members of the third-class.

Mrs. M. M. Davison, of No. 370 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at Penny's Drug Store, 50c.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical, mucous membrane supporting remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all ailing, all time, and all blood ailments. The "Night Cure," as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, causes nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—a general tonic to the system. For positive local help, use as well the necessary number of assistants.

PRELIMINARY to a 30 days' speaking tour in which he proposes to force the fighting in the middle Western States, William J. Bryan conferred Saturday with National Chairman Mack and other members of the National Committee on the general plan of action for the presidential struggle that has been outlined by the heads of the various bureaus of the National Committee. It was announced that Mr. Bryan would make several speeches in New York State and several in Ohio. He left Chicago yesterday for Indianapolis to attend the Kern notification meeting to-day.

SENATOR FORAKER tells a New York interviewer that he doesn't know anything about political prospects or conditions, except what he reads in the newspapers; and that he doesn't feel that he is charged with any responsibility for results. He also says if he makes any speeches this campaign it will be along lines of his own dictation, and not of the campaign committee, which is therefore afraid to ask him to mount the raging stump.

INDEPENDENTLY and firmly, voluntarily and conscientiously, and with a keen appreciation of its own responsibility to the public, the World, confronted on one side by Rooseveltism and Roosevelt's proxy, and on the other by democracy and Mr. Bryan, has no hesitation in saying that within the limits of true democracy, the democratic ticket is entitled to the full democratic vote. Thus reads an editorial in the great New York World.

CONGRESSMAN LANNING, who has been renominated in his Ohio district, may not be able to serve his time, if elected. A mild-mannered correspondent says he "had the misfortune to be indicted for embezzlement," and will have to stand trial. He was concerned in a bank failure in consequence of which he was indicted for embezzlement and larceny.

MR. TAFT says that one of his first acts after he is elected president will be to call an extraordinary session of congress to revise the tariff. If that is the only show we have for a revision of the tariff there will be no change. But why bother about it? Mr. Bryan will have the tariff revised all right.

THE 30-cent Bryan Club was organized in Louisville and the promoters say that they intend to raise a large sum of money to be turned over to the Democratic National Campaign Committee. They propose to have the largest political club ever organized in Kentucky.

NOMINEE TAFT is to make a few speeches in Kentucky. Seems to us he had better put in his time in the doubtful States. Kentucky is going democratic 25,000 this year and nothing can prevent it. Mark what we say.

W. A. BEATTY, of Lexington, has bought a half-interest in the Sun-Sentinel, published at Winchester by Postmaster R. R. Perry, and will turn it into a daily Sept. 1.

JUDGE R. G. WILLIAMS, who made Rockcastle one of the best judges that county ever had, is a candidate for Commonwealth Attorney of the Kenton judicial district. We hope the splendid gentleman will win.

"THE situation for Taft in Kentucky is hopeful but doubtful," says the Louisville Post. Yes, devilish doubtful. This is democratic year sure and certain and Taft will do well to run second.

OLLIE JAMES is in jail in Louisville. Not the big-bodied, big-brained congressman from the First district but a Negro woman by that name.

CLOVERPORT went dry Saturday by a majority of 80. The Courier-Journal will not discuss the fact editorially, we predict.

POLITICAL.

Hardin county democrats will nominate county officers by primary Nov. 14. Friends of Hon. Claude M. Thomas, of Paris, are urging him to run for State Senator.

Mr. Bryan's speech at the Kern notification may be his only one in Indiana during this campaign.

Hereafter, all pensioners will be allowed the free use of the mails to return their pension vouchers.

Joseph L. Rhinock was renominated for Congress over five opponents by the Democrats of the Sixth district. A light vote was polled in the primary.

Speaker Joseph G. Cannon will make a speaking tour of the country beginning in September. He will talk, if possible, in all the doubtful Congressional districts.

John B. Thompson, D. L. Moore, W. C. Bell, C. A. Hardin, J. W. Davenport and Rodney Keenon, all of Harrodsburg, sent Chairman Mack \$1,000 to be used in the democratic campaign.

The Republican committee of the Twenty-seventh judicial district met at London Saturday and called a primary for December 5, to nominate candidates for Circuit Judge and Commonwealth's Attorney.

The New York World, which has been opposed to Mr. Bryan for years and which has been rather emphatic at times in its expression of differences of opinion with the Democratic candidate, will support him in this campaign.

The legislative committee which has been investigating the conduct of the prisons of Georgia has finished the hearings and will prepare a report for the special session of the Legislature called for August 25. An expert who examined the books of the prisons reported that the accounts were carelessly kept and much laxness was noticeable.

William J. Bryan delivered an address on the tariff question to a vast crowd in the base ball park at Des Moines, Ia., Friday night, afterward speaking to an overflow meeting in the auditorium. Mr. Bryan received an ovation at both places. After the speaking he left for Chicago, where he will remain several days for a conference with the campaign managers.

Secretary of War Wright announces that his recommendation for the punishment of the eight West Point cadets, suspended from the Military Academy for hazing, had been approved by President Roosevelt. The order will dismiss from the academy two first-class men and place under suspension without pay and allowances for one year, the six members of the third-class.

HIGHLAND.

Tom Ends and E. G. Baugh are painting the interior of the new church.

Phil Kennedy and wife are rejoicing over the arrival of a girl at their home. L. S. Warfield and wife have a new boy.

Mrs. Dorothy McGuffey has been seriously ill with yellow jaundice but is some better. Will Long, who has been sick for a month, is better.

Don't forget the dedicatory services at the new Methodist church Sunday next. An all day service will be conducted by Rev. J. P. Howes, of Lexington, and the pastor, Rev. P. H. Ebricht. We cordially invite everybody and kindly ask all our friends in sister churches nearby to aid us all they can in bringing well filled baskets to help feed the large crowd. All persons coming to stay over night on Saturday preceding, please notify Mrs. C. M. Young, Waynesburg.

A. L. Napier and family are visiting relatives near Cartersville. Miss Zora Baugh, who has been attending school at College Hill, is expected home this week. Misses Emma and Martha Meier have returned from a visit to their sister, Mrs. Gover, at Turnersville. Charley Carrier and family, of Pulaski, are visiting relatives here. Rev. J. Lloyd Decell, representing Union College, Barbourville, and Miss Mary Wilson, of Danville, with a number of other young people, attended the Jumbo camp meeting.

Ed Terry and wife have moved back to Neals Creek. Eld. John Ware and wife, who have returned from a trip to Kansas and other points, spent several days with Wm. Vanhook and family. While here he preached a number of interesting sermons at the Christian church. Mrs. C. M. Young, who is traveling for the Millikin Book Co., of

Marietta, O., has gone to Lebanon, Campbellsville and other points in that section. Mr. Freda Gover, of Turnersville, was with the homefolks last Sunday. Miss Jessie Coleman, of Somerset, who has been with her sister, Mrs. Ollie Vanhook, has returned home, much to the regret of a certain young man here.

Excellent Health Advice.

Mrs. M. M. Davison, of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at Penny's Drug Store, 50c.

George W. Fitzgerald, formerly assorting teller of the United States treasury at Chicago, was arrested at Chicago on the charge of stealing \$173,000, which mysteriously disappeared from his cage Feb. 20, 1907.
